

In addition to *My belief I am unforgivable* I am coming into my spiritual power.

In addition to *My fear I have done unforgivable things* I am coming to understand there is enough for all of us.

In addition to *My attachment to start over* I am coming to a greater understanding and expression of my truth.

In addition to *My belief money has to be earned* I am becoming all I need.

In addition to *My fear I have not earned money* I am coming to a greater understanding of abundance.

In addition to *My attachment to be worthy of money* I am coming to a greater understanding and expression of my truth.

In addition to *My belief I exist entirely within my gender* I made a commitment to my agreements.

In addition to *My fear I cannot be more than my gender* I am coming into love and acceptance.

In addition to *My attachment to transcend my gender* I am coming into my spiritual power.

In addition to *My belief I am not good enough* I am coming to understand there is enough for all of us.

In addition to *My fear something is wrong with me* I am becoming all I need.

In addition to *My attachment to do everything right* I am coming to a greater understanding of abundance.

In addition to *My belief something outside of me will bring comfort and relief* I am coming to a greater understanding and expression of my truth.

In addition to *My fear I will not find relief* I made a commitment to my agreements.

In addition to *My attachment to be loved and validated* I am coming into love and acceptance.

In addition to *My belief it isn't safe to expand* I am coming to a greater understanding of abundance.

In addition to *My fear movement causes death* I am coming into my spiritual power.

In addition to *My attachment to understand everything* I am coming to understand there is enough for all of us.

In addition to *My belief all humans will experience imbalance and illness* I am becoming all I need.

In addition to *My fear I can't have what I want* I am coming to a greater understanding of abundance.

In addition to *My attachment to be in control* I am coming to a greater understanding and expression of my truth.

In addition to *My belief I know the only solutions* I made a commitment to my agreements.

In addition to *My fear those solutions are not available* I am coming into love and acceptance.

In addition to *My attachment to continue to seeking* I am coming to a greater understanding of abundance.

In addition to *My belief I can't have what completes me* I am coming into my spiritual power.

In addition to *My fear it will never change* I am coming to understand there is enough for all of us.

In addition to *My attachment to make everything alright* I am becoming all I need.

In addition to *My belief I can't begin until I am complete* I am coming to a greater understanding of abundance.

In addition to *My fear completeness is the end* I am coming to a greater understanding and expression of my truth.

In addition to *My attachment to experience ongoing perfection* I made a commitment to my agreements.
